Photo of Mrs Payne nee Barling sent to CB

From David Payne (2006): "Edith Ann Sarah Barling was my Grandmother...married Owen William Payne (an alias as was born Owen William Eaton, Cookham, Berks 1872) at a civil ceremony 14/10/1890 Canterbury, Kent (Reg 148)...He was a Private soldier with the 21st Hussars at that time. Owen William assumed his

surname of Payne when he joined the Army underage (falsified his age by 3 years on his marriage certificate and even the registrar erred in that he assumed that his father's surname was Payne... (it was Henry Eaton, Coombe, Oxfordshire 1835)....grandfather kept up this alias the whole of his life as, being a regular soldier in the Army, it was an offence under Military Law to give false information when Attested. Grandfather's Death was registered in Tynemouth, sub district Wallsend 25/04/1933.Reg No 44...Edith subsequently at sometime remarried to a Burchill (no details) and eventually moved back to Kent living in a village called Tenham (near Sittingbourne) in the early 1950s...I cannot give specific details of her death but at the time she was living with one of her daughters (Eileen)(married to a Joe Sayers) in Erith, Kent.."
